

Product Search Screen

While the search options on the **Product Search** screen have remained the same, there have been enhancements to the screen designed to provide increased convenience to the user. You will notice a **Cart Total** in the upper right-hand corner of the screen. The purpose of this is to allow the user visibility of the total dollar value of all items in the Cart. This total is the summation of all items for all suppliers in the cart. Also, search results will not be placed on a separate page. **Search Results** will be posted on the bottom portion of the Product Search screen.

The screenshot displays two instances of the Product Search screen. The top instance shows the search interface with a 'Cart Total: \$5015.80' label highlighted by a blue arrow. The bottom instance shows the results of a search for 'floss', with the 'Cart Total: \$5015.80' label also highlighted by a blue arrow. The results table lists various dental products from Benco Dental Company, including items like EZ DENTA FLOSSER, FLOSS & GO PKG DISPENSER, and FLOSS AID. The bottom portion of the screen is labeled 'Search Results posted at bottom of Product Search screen'.

Browse Products Screen

A new addition to ECAT is the **Browse Products** function. You can access this by clicking the Browse Products tab. This feature allows you to search for an item using a series of three drop-down boxes. Initially, only the **Select a Category** drop-down is available. After choosing a category, the **Select a Product Line** drop-down will appear, followed by the **Select a Subcategory** drop-down box. Results will appear in the same format as those on the Search Product screen. View an example of the Product Browse Results on the following page.

The image displays three sequential screenshots of the ECAT Browse Products interface, illustrating the step-by-step selection process:

- Step 1: Select a Category** (Left Screenshot): The first screenshot shows the initial state where a single dropdown menu is open, labeled "Category". The options listed are: APPAREL/TEXTILES, CENTRAL SUPPLY STERILIZATION SOLUTIONS & SUPPLIES, CRITICAL CARE, DENTAL EQUIPMENT, DENTAL SUPPLIES, DIALYSIS/PERFUSION, DISASTER PREPAREDNESS & SURVIVAL SUPPLIES & EQUIPMENT, EDUCATION & TRAINING, and EMERGENCY MEDICAL SERVICES SUPPLIES AND EQUIPMENT.
- Step 2: Select a Product Line** (Middle Screenshot): The second screenshot shows the dropdown menu after a category has been selected, specifically "DENTAL EQUIPMENT". A second dropdown menu, labeled "Product Line", is now open, listing: DENTAL EQUIPMENT: HANDPIECES & ACCESSORIES, DENTAL EQUIPMENT: INSTRUMENTS, DENTAL EQUIPMENT: LABS, DENTAL EQUIPMENT: MAJOR, DENTAL EQUIPMENT: OPERATORY, DENTAL EQUIPMENT: X-RAY PROCESSORS, and DENTAL EQUIPMENT: DENTAL CHAIRS & PARTS.
- Step 3: Select a Subcategory** (Right Screenshot): The third screenshot shows the final step where a third dropdown menu, labeled "Subcategory", is open under "DENTAL EQUIPMENT: LAB". The options listed are: DENTAL ARTICULATORS & ACCESSORIES & PARTS, DENTAL FURNACES: BURNOUT & PORCELAIN & PARTS, and DENTAL LAB EQUIPMENT.

Note: Currently, only **Dental** items are available through the **Product Browse** feature.

Product Browse Screen - Results

As with the results on the Product Search page, you are able to scroll through the results of a Product Browse. You can add items to the Cart or a Reorder List. Also, items already in the Cart will be shaded green while items that are in a Reorder List will be shaded blue. An item that is both in the Cart and a Reorder List will be shaded green.
